RE: *THE FASTBREAK TIP OFF CLASSIC*
2013 High School Boys & Girls
Sanctioned Varsity Tournament Schedule
sponsored by Urban Youth, Inc.

Dear Administrator, Athletic Director, Coach:

The enclosed information is provided as a precursor to the Scholastic School basketball tournaments offered by Urban Youth, Inc. for the 2013-14 basketball season.

My purpose in writing this letter is to invite your schools Boys and Girls varsity teams to participate in our FASTBREAK TIP OFF CLASSIC next season. The actual dates are December 11-14, 2013, with each team playing two games over the four day period. The classic is schedule to be held in Wilmington, DE and will be played during evening hours. Our basketball tournaments have consistently (9 years) attracted teams from

throughout the Mid- Atlantic Region, Bahamas and Canada. Some of our tournaments will have limits on the number of teams participating, so if you have any interest, please don't hesitate to express your intentions early. The teams selected for the tournament will be on a first come first serve basis only.

Our tournaments usually include awards for champions, sportsmanship and for outstanding play. All games are sanctioned by National Federation and competition is based on your team's skill levels.

I trust that I will hear from you soon and thank you in advance for your consideration!

Sincerely,

Mark P. Sills
Tournament Director
